OVERVIEW

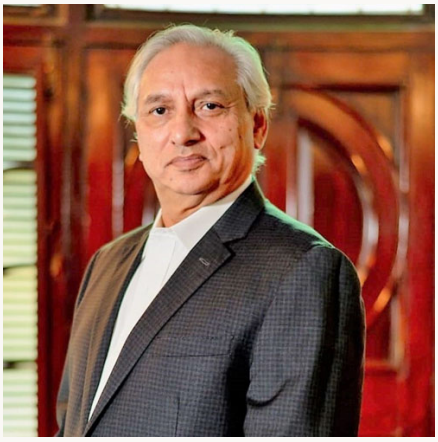
Launched initially as a money transfer service, Easypaisa has evolved into Pakistan's top digital lifestyle app and branchless banking service.

MISSION & PURPOSE

To financially empower Pakistanis by providing convenient, accessible, and secure digital financial services.

NOTABLE IMPACT

"Easypaisa bridges the financial inclusion gap for millions of unbanked Pakistanis. It was instrumental in distributing government relief funds digitally to remote areas."

FOUNDER PROFILE


A joint venture launched by Telenor Pakistan and Tameer Microfinance Bank (now Telenor Microfinance Bank), pioneered by executives like Nadeem Hussain.
