OVERVIEW

Initially the payment solution for the Mercado Libre marketplace, it has grown into Latin America's largest fintech platform, offering wallets, credit, and merchant services.

MISSION & PURPOSE

To democratize access to money and financial services in Latin America.

NOTABLE IMPACT

"Mercado Pago drives financial inclusion across LatAm. It serves as a lifeline against inflation in countries like Argentina by offering high-yield digital accounts."

FOUNDER PROFILE

Marcos Galperin. He founded Mercado Libre while at Stanford Business School and built Mercado Pago to solve the massive lack of payment infrastructure in LatAm at the time.
