OVERVIEW

MoMo is Vietnam’s premier digital wallet and super-app, offering a comprehensive suite of services ranging from peer-to-peer transfers and bill payments to gaming and travel bookings.

MISSION & PURPOSE

To provide equal access to financial services for all Vietnamese people, transforming the country into a cashless society.

NOTABLE IMPACT

"MoMo leads the charge in Vietnam's cashless revolution. MoMo played a critical role in keeping digital commerce flowing during the pandemic, bringing millions of unbanked citizens into the formal digital economy."

FOUNDER PROFILE

Nguyen Ba Diep (Co-founder and Executive Vice Chairman). A veteran of the Vietnamese telecommunications industry, Diep recognized early on that mobile adoption could leapfrog traditional banking infrastructure in Vietnam.
